EXPERTISE

Produces equipment for handling and storage of wood pellets.

» TECHNOLOGY

We will always strive to fulfill every customer need within energy solutions.

» SERVICE / INNOVATION

20 years of experience in applications from 5 kW–20 MW.
A complete supplier of storage.

INTERNATIONAL EXPERIENCE

Mafa silos can be found all over the world, but our main market is in the North European countries.

» CASE STUDIES

66 Mafa silos delivered to a Swedish garden nursery that converts the heating system to wood pellet.

TARGETING SECTORS

Private individuals and companies who are in need of bulk storage for wood pellets.

SWEDISH BIOENERGY CLIMATE SOLUTIONS
is a platform focusing on internationalization of Swedish bioenergy technology and knowledge. Funded by the Swedish Energy Agency.
